Sonam Yankey is a very lovable girl. She is mostly quiet in the class. She has got a very beautiful smile. She joined TCV this year along with her younger sister. She has completed grade 4 in her previous school but she has to repeat grade 4 here as she doesn't know Tibetan language and has to start over again. Her parents sent her and her sister here so that they can learn Tibetan language and tradition. Her younger brother also joined Upper TCV last year and he is in kindergarten. She misses her brother very much but she is happy that her younger sister is with her in the same class.

Sonam's father does all kinds of work that come his way. Her mother is a home-maker and looks after her paternal grandparents.
