Tenzin Tsomu is a cute girl from Tawang, Arunachal Pradesh. She joined TCV last year. She has completed grade 3 from her previous school in her home town. Her mother sent her here so that she can learn Tibetan language and tradition. Her younger brother also joined Upper TCV last year and he is in kindergarten. She misses her brother sometimes. She has a sister who is just a year older and she too joined TCV Suja last year. They both are in same class.

She has well adapted here as she has lots of friends from her hometown who are also studying here. Tsomu's father does all kinds of work that come his way. Her mother is a home-maker and looks after her paternal grandparents.
